

DOW CORNING

Products supplied from outside the EU

Dow Corning is likely to be able to cover imports into the EU of its materials contained in direct or indirect customers' products. Our Only Representative "Dow Corning Europe SA" or our suppliers' Only Representatives have pre/registrations in place that can cover importers' REACH obligations. Dow Corning and XIAMETER® are well prepared for REACH compliance and, regardless of the brand through which our products are sold, we are confident that we can support new business opportunities in Europe.

For further information regarding simple to arrange REACH coverage for your exports, please read about our [Only Representative Trustee model](#). You may also review our [Frequently Asked Questions](#) in the [REACH Resource Center](#).

IMPORTANT NOTE: The information contained herein is provided in good faith and is based on the best information currently available to Dow Corning.
