

Prepared for **REACH**

### **Products supplied from outside the EU**

Dow Corning is likely to be able to cover imports into the EU of its materials contained in direct or indirect customers' products. Our Only Representative "Dow Corning Europe SA" or our suppliers' Only Representatives have pre-registrations in place that can cover importers' REACH pre-registration obligations. This means that although the Dec 1<sup>st</sup> 2008 pre-registration deadline has passed, you may be able to take advantage of these pre-registrations to continue your European business.

Dow Corning is well prepared for REACH compliance and we are confident that we can support new business opportunities in Europe. For further information regarding free, simple to arrange pre-registration coverage, please [contact one of our experts](#).
