

## Executive Biography

Linda Kennan

**Linda Kennan**

Vice President of Corporate Stewardship

**Primary Responsibilities**

- Provide executive oversight for the key elements of Dow Corning's corporate stewardship initiatives.
- Drive and align company sustainability, environment, health and safety efforts.
- Ensure global regulatory compliance.

**Experience and Expertise**

Linda Kennan joined Dow Corning Corporation in 1984 in a research position. Throughout her career at Dow Corning she has held positions in basic research, product and application development followed by roles in industry and business management. In 2009, Linda was named region president for the ASEAN and ANZ regions.

She was appointed to her present position in 2011.

**Education**

- Bachelor of Science, Chemistry: University of Illinois.
- Master of Science, Chemistry: Central Michigan University.

**External Representation**

Linda is a passionate volunteer, teaching science and life skills to school children. She has also served as a Director for Shelterhouse and the Council on Domestic Violence and Sexual Assault for Midland and Gladwin Counties.

**Guiding Principle**

True success comes from recognizing the unique strengths of each individual.

**About Dow Corning**

Dow Corning (dowcorning.com) provides performance-enhancing solutions to serve the diverse needs of more than 25,000 customers worldwide. A global leader in silicones, silicon-based technology and innovation, Dow Corning offers more than 7,000 products and services via the company's *Dow Corning*® and XIAMETER® brands. Dow Corning is equally owned by The Dow Chemical Company and Corning, Incorporated. More than half of Dow Corning's annual sales are outside the United States. Dow Corning's global operations adhere to the American Chemistry Council's Responsible Care® initiative, a stringent set of standards designed to advance the safe and secure management of chemical products and processes.
