

Executive Biography*Linda Kennan***Linda Kennan**

Regional President, ASEAN and ANZ

Primary Responsibilities

- Oversee Dow Corning's business in the ASEAN/ ANZ regions, and lead geographic and employee leadership development activities in this region.
- Ensure legal entity compliance and adherence to the Code of Business Conduct.

Experience and Expertise

Linda Kennan joined Dow Corning Corporation in 1984. Throughout her career at Dow Corning she has held positions in basic research, product and application development and management.

Linda was named Global Household Industry Director and Product Line Manager for Life Sciences in July 2007.

In 2009, Linda was named region president for the ASEAN and ANZ regions.

Linda holds three Technical Achievement Awards, fourteen patents and numerous internal and external publications.

Education

- Bachelor of Science, Chemistry: University of Illinois
- Master of Science Chemistry: Central Michigan University

External Representation

Linda has served as a Trustee and Christian Education board member for Memorial Presbyterian Church, and is an active volunteer teaching science to elementary school children. She served as a Director for Shelterhouse and the Council on Domestic Violence and Sexual Assault for Midland and Gladwin Counties prior to relocating to Bangkok, Thailand.

Guiding Principle

True success comes from recognizing the unique strengths of each individual.

**About Dow Corning**

Dow Corning (dowcorning.com) provides performance-enhancing solutions to serve the diverse needs of more than 25,000 customers worldwide. A global leader in silicones, silicon-based technology and innovation, Dow Corning offers more than 7,000 products and services via the company's *Dow Corning*® and XIAMETER® brands. Dow Corning is a joint venture equally owned by The Dow Chemical Company and Corning, Incorporated. More than half of Dow Corning's annual sales are outside the United States.
