

Executive Biography

Heidi Landry-Chan

Heidi Landry-Chan

Vice President

Executive Director, Procurement and Logistics

Primary Responsibilities

- Lead the global Procurement and Logistics organizations to provide a competitive advantage to Dow Corning.
- Drive cost savings and logistics efficiencies worldwide.
- Manage code of conduct compliance & supplier business continuity.
- Responsible for leadership development within procurement and logistics.

Experience and Expertise

Heidi Landry-Chan joined Dow Corning in 2009. Prior to this, she worked for 20 years in the procurement and supply chain area in a variety of roles for companies like Kmart, IKEA and Novartis. During this time she worked for 10 years in Asia, including seven years in China and three in India, managing both procurement operations and joint venture manufacturing investments.

Heidi relocated to Switzerland following her years in Asia, and joined the pharmaceutical industry, where she worked in global procurement & supply chain roles based in Switzerland and Greece, before joining Dow Corning.

Education

- Bachelor's in International Trade, University of Massachusetts.
- Finance and Marketing at Harvard University Extension School.

Guiding Principle

Every person wants to succeed; our job as leaders is to enable them to do that.

About Dow Corning

Dow Corning (dowcorning.com) provides performance-enhancing solutions to serve the diverse needs of more than 25,000 customers worldwide. A global leader in silicones, silicon-based technology and innovation, Dow Corning offers more than 7,000 products and services via the company's *Dow Corning*® and XIAMETER® brands. Dow Corning is equally owned by The Dow Chemical Company and Corning, Incorporated. More than half of Dow Corning's annual sales are outside the United States. Dow Corning's global operations adhere to the American Chemistry Council's Responsible Care® initiative, a stringent set of standards designed to advance the safe and secure management of chemical products and processes.
