

Executive Biography

Greg Lubben

Greg Lubben

Vice President
Corporate Controller

Primary Responsibilities

- Responsible for external and internal financial reporting for the corporation, as well as for planning, forecasting and budgeting.
- Effective implementation of Sarbanes Oxley management system.
- Establishing appropriate internal controls related to the corporation's financial systems.

Experience and Expertise

Greg Lubben joined Dow Corning in 1984 as an audit analyst, and has since then held various positions in the company.

In 1994, Greg was named the chief financial officer for Hemlock Semiconductor Corporation (HSC), a joint venture between Dow Corning, Shin-Etsu Handotai Co., Ltd. and Mitsubishi Materials Corporation. Greg was appointed financial controller for Dow Corning's Advanced Materials business in 1999 and for the Advanced Technology Ventures business in 2004. In 2007, Greg was named director for business development for this business, in which capacity he led a project to develop Dow Corning's solar materials strategy.

Greg was appointed to his current position in 2008.

Education

B.S. in Business Administration: Central Michigan University.

External Representation

Covenant Healthcare Systems: Board of Directors (Treasurer).

About Dow Corning

Dow Corning (dowcorning.com) provides performance-enhancing solutions to serve the diverse needs of more than 25,000 customers worldwide. A global leader in silicones, silicon-based technology and innovation, Dow Corning offers more than 7,000 products and services via the company's *Dow Corning®* and *XIAMETER®* brands. Dow Corning is equally owned by The Dow Chemical Company and Corning, Incorporated. More than half of Dow Corning's annual sales are outside the United States. Dow Corning's global operations adhere to the American Chemistry Council's Responsible Care® initiative, a stringent set of standards designed to advance the safe and secure management of chemical products and processes.
