

Global Release Liner Industry Conference Speaker Biographies for Workshop A

Lori Jones, Dow Corning Associate Industry Scientist

Lori Jones, who has held technical service and development roles in pressure sensitive adhesives and release coatings for more than 20 years, is an Associate Industry Scientist for Dow Corning's pressure sensitive adhesives industry. She authored the chapter on "Silicone Pressure Sensitive Adhesives" in Satas' *Handbook of Pressure Sensitive Adhesive Technology*. In addition, she holds several patents in fluorosilicone release and other release technologies.

Norm Kanar, Dow Corning Americas Area Market Manager

Norm Kanar is the Americas Area Market Manager for release coatings and pressure sensitive adhesives. In his 10 years with Dow Corning, Kanar has also served in Process Engineering and held manufacturing roles with Dow Corning's Specialty Chemicals Business. He is a member of the American Institute of Chemical Engineers and has a bachelor's degree in Chemical Engineering from Michigan State University and a Master of Business Administration degree from the University of Michigan.
